

# La Cité de la Mer, where stories begin.

A must see sight in Normandy

> A unique adventure in the heart of Cherbourg's Art Deco transatlantic liners' terminal dedicated to the fantastic human adventure of the conquest of the great depths

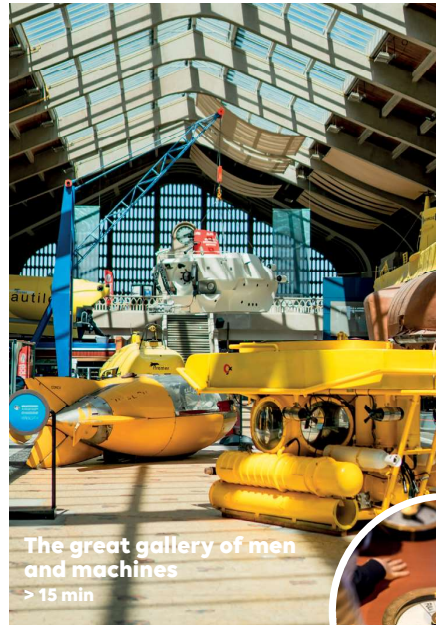

Embark on the largest submarine open worldwide to the public. Explore an exhibition of stunning aquariums and spectacular multimedia display around the abyssal aquarium, deepest of Europe. Follow the route of 50 million emigrants and relive the unique crossing of the legendary liner. See the new exhibition «Artifacts and stories». Discover a unique collection of submarines in the Main Hall to experiment the adventure of the oceanauts.

- > Follow the first 20 days that took the Allies from Utah Beach to Cherbourg in 1944 and listen to the sea tell its side of the Normandy Story\*\*.

\* for safety reasons, children under 5 years are not allowed to visit the submarine.

\*\* If Auditorium is occupied therefore films are not broadcast. Access and times specified on site.

Make this day  
an unforgettable moment
